<b>** Single-User Version:</b>	This includes the single-user version with 1 license. The single-user version can be installed on multiple computers but can only be used to train one single person. The single-user version is not a concurrent viewer license.
<b>** Additional Licenses:</b>	Additional licenses are the same price whether your version is single-user or multi-user. An additional license for the single-user version allows 1 additional person to be trained. An additional license for the multi-user version allows one additional concurrent viewer.

\*\*\* The CBT Nuggets videos are licensed by default for one user only. It is a non-transferrable license. Please see <http://www.cbtnuggets.com/html/about/license.html> for more information.
