

# CBT Nuggets Capabilities Statement

## Core Competencies

CBT Nuggets offers a complete, self-paced IT training solution – delivered securely, whenever and wherever technology professionals need it.

**Multi-Vendor:** Meet all IT training needs with a single provider. Our library includes courses in:

- System Administration
- Network Administration
- Security
- DevOps
- Project Management
- and more...

**Secure:** Our Nugget Learning Server (NLS) delivers training over 100% secure networks.

**Convenient:** 24-hour, year-round access to training, even over mobile devices and offline.

## Differentiators

**Exclusive Learning Experience:** Engaged and interactive online training that uses research-based educational strategies designed to improve deep learning and retention.

**IT Career Paths:** Training for all levels of IT professional expertise.

**All-Access Training:** Over 200 courses, test prep resources, and practice exams included with all streaming subscriptions.

## Reference Clients and Past Performance

We are a trusted provider for U.S. government clients including:

- Army
- Air Force
- Marines
- Navy
- U.S. State Dept.
- FBI
- USGS
- EPA
- DOT
- USDA
- FAA
- State & Local Gov.
